

Appl. No. 09/925,126  
Amdt. Dated Feb. 5, 2004  
Reply to Office Action of Nov. 5, 2003, 2003

**Amendments to the Claims:**

This listing of claims will replace all prior versions and listings of claims in the application:

**Listing of Claims:**

AIJ  
Claim 1 (withdrawn)

Claim 2 (withdrawn)

Claim 3 (currently amended): An information transacting mechanism between an information provider and a customer, the information transacting mechanism comprising:

an information server controlled by the information provider;

an original information box selectively extracted from the information server;

a tool server installed with a plurality of tools having accessing and modifying functions relating to the original information box by an application service provider and providing specific functional tools when instructed by the application server provider; and

a tool-added information box being ~~resulted~~ obtained by packing the original information box with the specific functional tools of the tool server and then being sent to the customer for the customer to access and modify the data contained in the tool-added information box.

Appl. No. 09/925,126

Amdt. Dated Feb. 5, 2004
